## Wood Bhatti Roaster Plant

**Model : HAI-RBP1500**  
**(Wood Bricks Bhatti)**  
**Machine : Multi Purpose Roaster**  
(Kheel, Murmura, Chana, Rajgira etc)  
**Capacity : 1000kg to 2000kg per hour**  
**Size : 18' feet and as per your Requirement.**  
**Requirement : 10 Killowatt minimum**  
**Heating Source : Wood/Diesel (Pellet Biomass)**  
**Material : MS / TATA / SS (As per Client Requirement)**  
**Automation Grade : Automatic / Semi-Automatic**  
**Machine Dimensions : Customizable Based on Capacity**

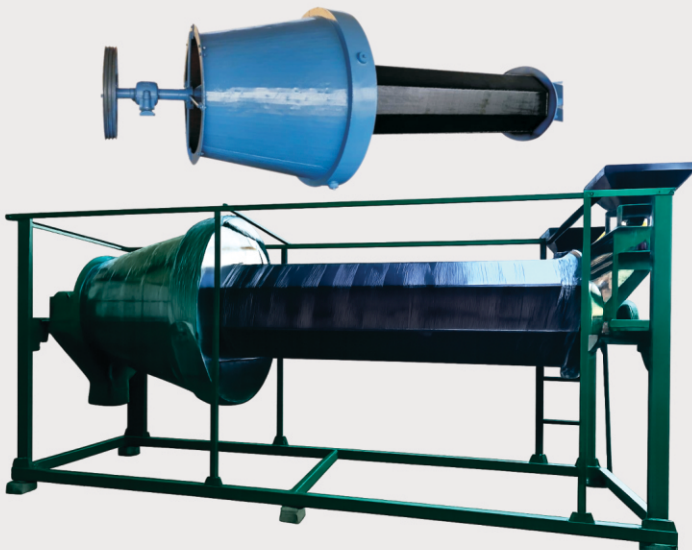

## Pellet Bhatti Roaster Plant

**Model : HAI-RBP1500 (Pellet Bhatti)**  
**Machine : Multi Purpose Roaster**  
(Kheel, Murmura, Chana, Rajgira etc)  
**Capacity : 1000kg to 2000kg per hour**  
**Size : 18' feet and as per your Requirement.**  
**Requirement : 10 Killowatt minimum**  
**Heating Source : Diesel (Pellet Biomass)**  
**Material : MS / TATA / SS (As per Client Requirement)**  
**Automation Grade : Automatic / Semi-Automatic**  
**Machine Dimensions : Customizable Based on Capacity**

## Kheel Murmura Cleaner

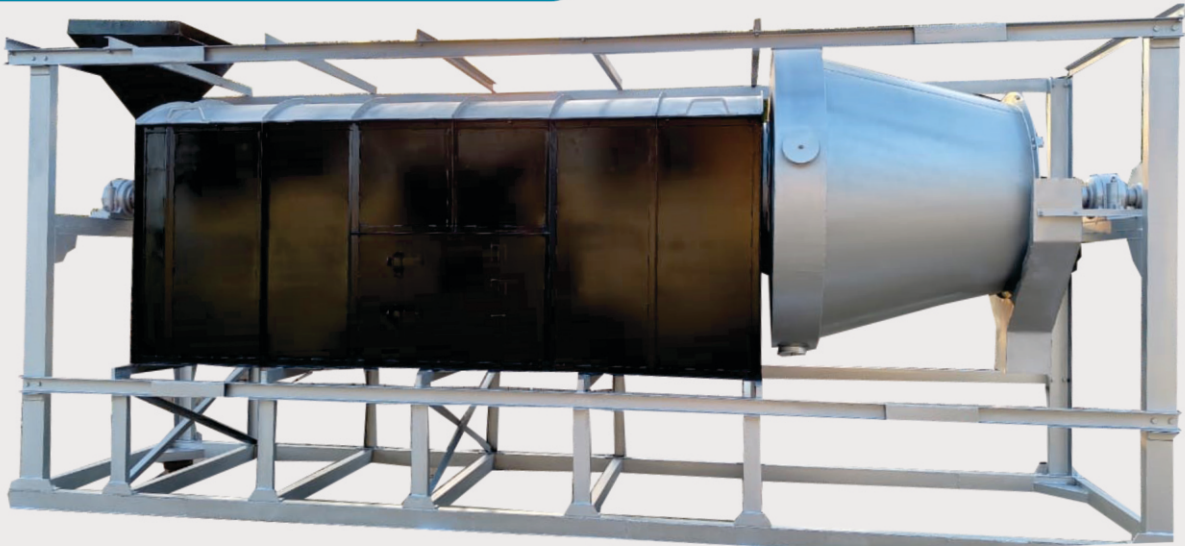

**Model : HAI-CM1000**  
**Machine : Multi Purpose Cleaner**  
(Kheel, Murmura, Chana, Rajgira etc)  
**Capacity : 1000kg to 1500kg per hour**  
**Size : 10'x3' and as per your Requirement.**  
**Requirement : 2 Killowatt.**  
**Material : MS / TATA / SS (As per Client Requirement)**  
**Automation Grade : Automatic / Semi-Automatic**  
**Machine Dimensions : Customizable Based on Capacity**

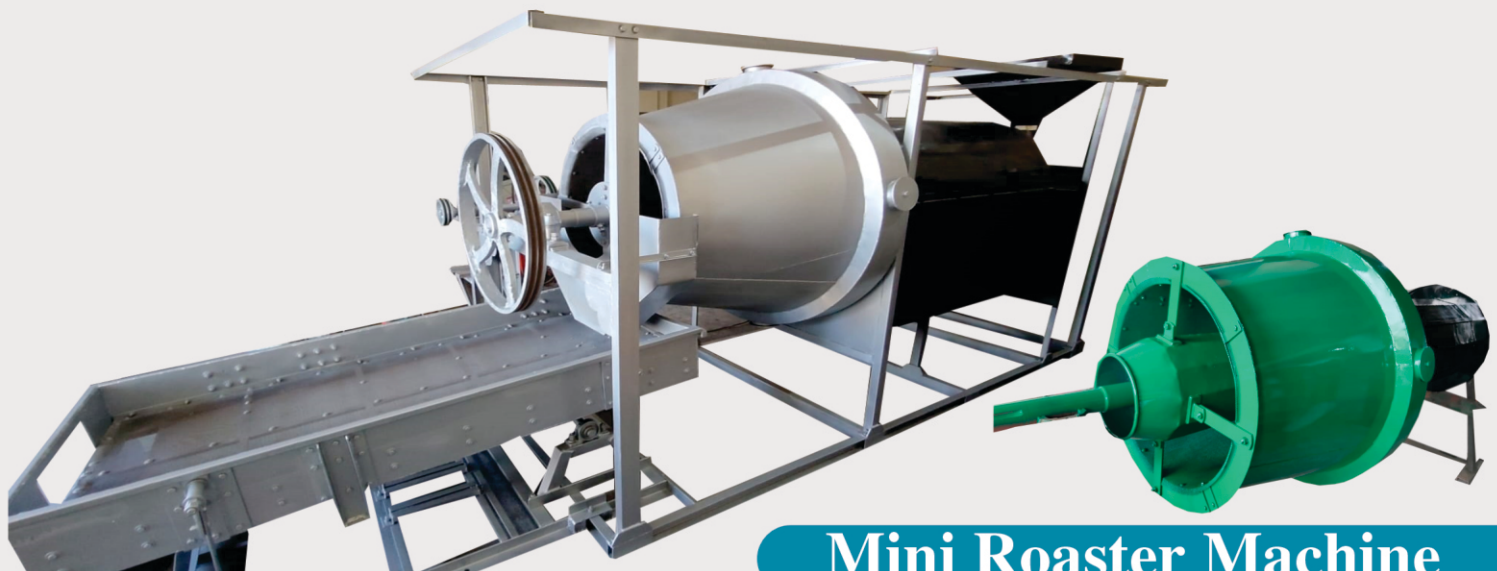

## Roaster Machine & Bhatti Stand

**Model : HAI-RM1000**  
**Machine : Multi Roaster Machine** (Kheel, Murmura, Rajgira etc)  
**Capacity : 1000kg to 2000kg per hour**  
**Requirement : 3 Killowatt.**  
**Heating Source : Wood/Diesel (Pellet Biomass)**  
**Material : MS / TATA / SS (As per Client Requirement)**  
**Automation Grade : Automatic / Semi-Automatic**  
**Machine Dimensions : Customizable Based on Capacity**

## 24ft Roaster Machine

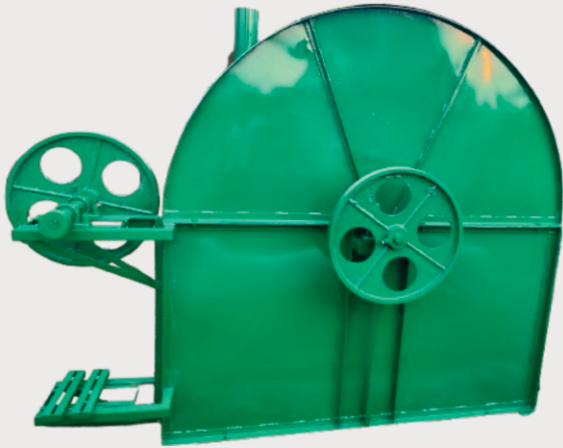

**Model : HAI-24RM2000**  
**Machine : Double Chamber Multi Purpose Millet Roaster Machine**  
(Joy Dhani, Wheat, Pearl Millet etc.)  
**Capacity : 1000kg to 2000kg per hour**  
**Size : 24 feet** (As per Client Requirement)  
**Requirement : 3 Killowatt.**  
**Heating Source : Wood/Diesel** (Pellet Biomass)  
**Material : MS / TATA / SS** (As per Client Requirement)  
**Automation Grade : Automatic / Semi-Automatic**  
**Machine Dimensions : Customizable Based on Capacity**

## Mini Roaster Machine

**Model : HAI-MRM500**  
**Machine : Double Chamber Multi Purpose Roaster Machine**  
(Kheel, Murmura, Chana, Peanut etc.)  
**Capacity : 400kg to 500kg per hour**  
**Requirement : 4 Killowatt.**  
**Size : 12 feet** (As per Client Requirement)  
**Heating Source : Wood/Diesel** (Pellet Biomass)  
**Material : MS / TATA / SS** (As per Client Requirement)  
**Automation Grade : Automatic / Semi-Automatic**  
**Machine Dimensions : Customizable Based on Capacity**

## Mungfali Roaster Machine

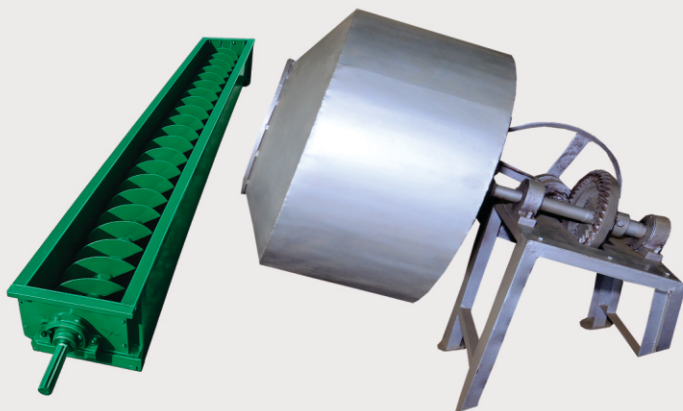

**Model :** HAI-MR500  
**Machine :** Mungfali Roaster Machine  
**Capacity :** 500kg to 800kg per hour  
**Requirement :** 4 Killowatt.  
**Heating Source :** Wood/Diesel (Pellet Biomass)  
**Material :** MS / TATA / SS (As per Client Requirement)  
**Automation Grade :** Automatic / Semi-Automatic  
**Machine Dimensions :** Customizable Based on Capacity

## Murmura Round Cleaner

**Model :** HAI-RCM1100  
**Machine :** Murmura Round Cleaner  
**Capacity :** 1000kg to 1500kg per hour  
**Requirement :** 2 Killowatt.  
**Material :** MS / TATA / SS (As per Client Requirement)  
**Automation Grade :** Automatic / Semi-Automatic  
**Machine Dimensions :** Customizable Based on Capacity

## Chana Colour Machine

**Model :** HAI-CC500  
**Machine :** Chana Colour Machine  
**Capacity :** 500kg to 800kg per hour  
**Requirement :** 2 Killowatt.  
**Material :** MS / TATA / SS (As per Client Requirement)  
**Automation Grade :** Automatic / Semi-Automatic  
**Machine Dimensions :** Customizable Based on Capacity

# Dryer Plant

**Model : HAI-RD5000**

**Machine : Rice, Paddy, Dal Dryer**

**Capacity : 1000kg to 15000kg per hour**

**Requirement : 5 Killowatt (As per Capacity Requirement)**

**Heating Source : Wood/Diesel (Pellet Biomass)**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

# Screw Conveyor

**Model : HAI-SC1000**

**Machine : Screw Conveyor**

**Capacity : 1000kg to 1500kg per hour**

**Requirement : 2 Killowatt.**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

# Rice Namak Pani Mixer

**Model : HAI-NPM1000**

**Machine : Rice, Paddy Salt Water Mixer**

**Capacity : 1000kg to 1500kg per hour**

**Requirement : 2 Killowatt**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

# Chana Destoner

**Model : HAI-MGD2000**

**Machine : Chana, Wheat, Pearl Millet etc.**

**Requirement : 3 Killowatt**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

## Roaster Roof (Chhat)

**Model : HAI-RRC400**

**Machine : Roaster Chhat**

**Size : 10'x4.5' ft (As per Client Requirement)**

**Material : MS / TATA / SS & Blanket (As per Client Requirement)**

**Machine Dimensions : Customizable Based on Capacity**

## Roasted Chana Cleaner

**Model : HAI-RCC1000**

**Machine : Roasted Chana Cleaner**

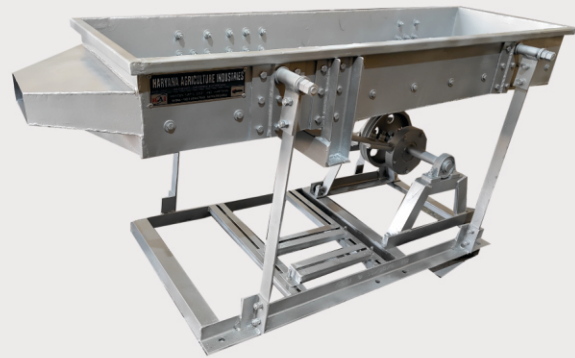

**Capacity : 800kg to 1000kg per hour**

**Requirement : 1 Killowatt.**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

## Wood Fire Blower Machine

**Model : HAI-WFB1000**

**Machine : Wood Fire Blower (Burada Fire)**

**Capacity : 800kg to 1000kg per hour**

**Requirement : 2 Killowatt.**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

## Poha Flaker & Chakki

**Model : HAI-POHAFC1100**

**Machine : Poha Flaker & Poha Chakki**

**Capacity : 1000kg to 1500kg per hour**

**Requirement : 10 Killowatt.**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

## Automatic Bucket Elevator & Belt Elevator Machine

**Model : HAI-EL1000**

**Machine : Bucket Elevator, Belt Elevator, Z Elevator**

**Capacity : 1000kg to 15000kg per hour**

**Requirement : 2 Killowatt**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

## Pellet Burner Machine

**Model : HAI-PB100**

**Machine : Pellet Burner Bio Mass**

**Calorie : 2 lac calorie Burner**

**(1 lac to 14 lac calorie burner Model also available)**

**Requirement : 2 Killowatt (As per Client Requirement)**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

## Paddy Cleaner

**Model : HAI-PC1500**

**Machine : Paddy, Kheel Bhujia Cleaner**

**Requirement : 2 Killowatt**

**Material : MS / TATA / SS (As per Client Requirement)**

**Automation Grade : Automatic / Semi-Automatic**

**Machine Dimensions : Customizable Based on Capacity**

## Chana Roaster Machine

Model : HAI-CR1500

Machine : Chana (Futana), Singdana Roaster Machine

Capacity : 1000kg to 2500kg per hour

Requirement : 3 Killowatt.

Size : 16 feet (As per Client Requirement)

Heating Source : Wood/Diesel (Pellet Biomass)

Material : MS / TATA / SS (As per Client Requirement)

Automation Grade : Automatic / Semi-Automatic

Machine Dimensions : Customizable Based on Capacity

## Automatic Kheel/Laava Cleaning Machine

Model : HAI-KCM500

Machine : Kheel/Laava, Khoyi Cleaning Machine

Capacity : 500kg per hour

Requirement : 5 Killowatt

Size : 20 feet (As per Client Requirement)

Material : MS / TATA / SS (As per Client Requirement)

Automation Grade : Automatic / Semi-Automatic

Machine Dimensions : Customizable Based on Capacity
